9:30AM Red Cap Wave

10AM Walk Start!

Website: www.centralmaheartwalk.org

Need web help? Contact Laura Woodward Liston or Aleah Graziano.

Exciting Fundraising Update

For 2010, all funds raised by the Friends with Hearts Walk Teams (you must be registered as a part of Friends with Heart on the Heart Walk website) will be restricted to congenital heart defects.

Please help us follow donor regulations by providing us a copy of any promotional/fundraising material that you create. This means please send us a letter from your letter campaign, a copy of your fundraising poster for penny/change collection, raffle, etc.

According to the CFO of the American Heart Association, you are not required to submit the individual donor designation/restriction forms for 2010 provided you are very clear in your request that the money is going to be restricted to Congenital Heart Defect research.

Please mail all pieces to:
Laura Woodward Liston
American Heart Association
20 Speen Street
Framingham, MA 01701
